Safeguarding Report – December 2022

Safeguarding Updates

- All safeguarding procedures remain in place and are up to date.
- All safeguarding training is up to date. All 'Prevent' (anti-radicalisation) training is up to date. We 'top up' this training throughout the year.
- All established staff received safeguarding training in Sept- as an update following the new KCSIE 2022. All new staff received all relevant training.
- Staff have received clear instructions on school policy and procedures with regards to child on child abuse- the new term for 'peer on peer' abuse.
- All staff receive regular training on:
    - Relevant legislation and updates to legislation
    - Signs of abuse
    - Reporting procedures including reporting to LADO
    - Staff involved in safeguarding protocol
    - Children most at risk and how to support them
- We work closely with external agencies to ensure knowledge of cases is shared and acted on appropriately.
- 4 pupils are subject to a Child Protection Plan. 4 pupils are subject to Child In Need plans. 5 pupils are subject to Family Solutions support (Same as last time). 13 pupils are subject to internal monitoring.
- Safeguarding governor is kept up-to-date with safeguarding matters, enabling them to play an active role in safeguarding.

New information in KCSIE

- Domestic abuse
- Child-on-child abuse is the new name for Peer on Peer- from July. 2 incidents to report since last meeting (year 9 bullying).

Online Safety

- There are no incidents to report.

Looked After Children

- We currently have 3 Looked After Children on roll. These children are monitored closely by the school and local authority using a model known as an 'EPEP'. This involves frequent meetings with the virtual school and the relevant carers as well as thorough record checks.
